Up to 15 Students

Prerequisites

None

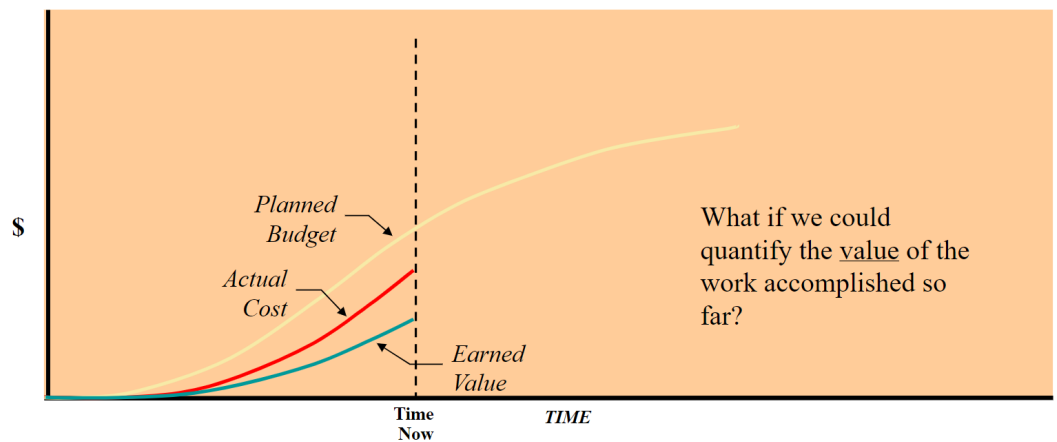

WHY TAKE THIS COURSE?

This course introduces the concepts underlying Earned Value Management (EVM), including:

- The problems EVM was created to solve
- EVM Terminology and data elements
- The key EVM Processes (Organizing, Planning, Scheduling & Budgeting, Accounting, Managerial Analysis & Reporting, Revisions)

WHO WILL BENEFIT?

Professionals in organizations who currently, or will be utilizing an EVM System, including Program Managers, Integrated Product Team (IPT) Leads, Program Schedulers, Control Account Managers (CAMs), Program Controls / EV Analysts, Program Financial Analysts. Executives who oversee Program Managers may also find this course of interest.

WHAT WILL I LEARN?

- Identify how Earned Value Management (EVM) benefits an organization
- Recognize the basic principles and terms used in EVM
- Understand the fundamental processes and key roles and responsibilities involved in EVM
- Participate more meaningfully in advanced EVM system coursework

PINNACLE TRAINING

Pinnacle offers a wide variety of training options, from introductory classes to advanced project and portfolio management concepts, including Earned Value Management (EVM), as well as vendor partner software training. We specialize in developing customized training solutions to fit your organizational needs.

What sets Pinnacle's training methodology and process apart from others in the industry is an increase in user adoption of processes and tools. Because we understand that providing training relevant to users' roles and responsibilities is critical to ensure successful implementations of EVM, project management tools, and maintaining internal best practices, we can tailor them to your unique business environment. This enables you to put it into practice right away, realizing the ROI much faster than traditional off the shelf courses.

Our team-based workshops are a great way for your project execution team to learn and understand essential project management concepts.

Visit pinnaclemanagement.com/training for more offerings.

This course is also available through our GSA MAS Contract.
